

Evolve Transition Infrastructure Announces Completion of Upstream Asset Divestitures and Provides Business Update Focused on Energy Transition

May 4, 2021

HOUSTON, May 04, 2021 (GLOBE NEWSWIRE) -- Evolve Transition Infrastructure LP (NYSE American: SNMP) ("Evolve" or the "Partnership") announced today that it has completed the sale of a majority of its remaining upstream assets.

The Partnership announced that on April 30, 2021, SEP Holdings IV, LLC, a wholly-owned subsidiary of the Partnership ("SEP IV"), entered into purchase agreements with two different buyers pursuant to which SEP IV agreed to sell wellbores and other associated assets located in Gonzales, Dewitt, Dimmit and Zavala Counties in South Texas, to such buyers for total consideration of approximately \$14.4 million. The majority of the sales contemplated by the purchase agreements closed simultaneously with the execution of such purchase agreements and the net proceeds were utilized, in addition to cash on hand, to reduce Evolve's debt outstanding to approximately \$88 million. Upon the closing of the transactions, expected in the second quarter of 2021, the Partnership will have substantially exited the upstream business.

The upstream asset divestitures are reflective of Evolve's previously announced business strategy shift to focus on the acquisition and development of infrastructure critical to the transition of energy supply to lower carbon sources, including sustainable aviation fuel, renewable diesel, and renewable natural gas. The transactions announced will provide capacity for Evolve's management team to continue to implement the new energy transition infrastructure business, and also reflective of the Partnership's successful execution on previously announced debt reduction initiatives. Since December 31, 2019, the Partnership has reduced its debt outstanding by \$62.0 million, or 41 percent. Since December 31, 2020, the Partnership has made principal payments totaling \$23.0 million.

On May 4, 2021, the Partnership also announced that on April 29, 2021, it received notice from NYSE American LLC ("NYSE American") that the Partnership was not in compliance with the continued listing standards set forth in Section 1003(a)(ii) of the NYSE American Company Guide (the "Company Guide"). Section 1003(a)(ii) applies if a listed company has unitholders' equity of less than U.S. \$4.0 million and has reported losses from continuing operations and/or net losses in three of its four most recent fiscal years. The Partnership can regain compliance under Section 1003(a)(ii) of the Company Guide, as well as under Section 1003(a)(i), as previously disclosed, under the compliance plan approved by NYSE American on June 25, 2020, which granted the Partnership an extension for its continued listing until October 3, 2021. The Partnership is not required to submit an additional plan to NYSE American with respect to Section 1003(a)(ii) and receipt of the notice does not affect the Partnership's business, operations, financial or liquidity condition, or reporting requirements with the Securities and Exchange Commission.
