

Evolve Transition Infrastructure Announces Court Approval of Mesquite Settlement Agreement

June 7, 2022

HOUSTON, June 07, 2022 (GLOBE NEWSWIRE) -- Evolve Transition Infrastructure LP ("Evolve") (NYSE American: SNMP) today announced the approval by the United States Bankruptcy Court for the Southern District of Texas of the previously announced Settlement Agreement between Evolve and Mesquite Energy, Inc. ("Mesquite") and certain of their respective affiliates resolving outstanding claims between the parties.

As part of the Settlement Agreement, Mesquite will pay \$10 million to Evolve and each of the parties to the Settlement Agreement will execute and deliver to each other party to the Settlement Agreement customary releases providing for, among other things, the release of all claims (including relating to historic payments), causes of action and demands accruing prior to the date of the Settlement Agreement. The parties have agreed to exchange the payment and customary releases within 5 days of the Bankruptcy Court's order approving the Settlement Agreement becoming non-appealable or such earlier date as may be agreed by the parties.

Concurrent with the execution of the Settlement Agreement, Evolve and Mesquite entered into the previously announced Amended and Restated Firm Gathering and Processing Agreement ("Restated Gathering Agreement") pursuant to which Evolve received an additional dedication of Mesquite's Eastern Catarina acreage position in Dimmit, La Salle, and Webb counties in Texas and the payment of amounts equaling approximately \$5 million from Mesquite. Further, the Restated Gathering Agreement extends the term of Evolve's previous firm gathering and processing agreement with Mesquite and provides a separate rate for new production in Mesquite's Catarina acreage which solidifies Evolve's commercial position regarding its current gathering and processing operations with Mesquite.

Evolve expects to use the proceeds from the payments received and to be received in connection with the Settlement Agreement and Restated Gathering Agreement for both debt repayment and general partnership expenses. As a result, Evolve anticipates less than \$30 million of total debt outstanding as of September 30, 2022, which represents a significant reduction from \$180 million as of December 31, 2018.

"Today's settlement of our prior disputes with Mesquite represents a critical step forward for Evolve and we are pleased with this favorable outcome," said Randall Gibbs, CEO of the general partner of Evolve. "The settlement proceeds will allow us not only to pay down debt but move forward with a renewed focus on our continued dedication to the energy transition."
