EXPLANATORY NOTE — DEREGISTRATION OF SECURITIES

This Post-Effective Amendment No. 1 relates to the following Registration Statements on Form S-8 (collectively, the “Registration Statements”), originally filed by Evolve Transition Infrastructure LP, a Delaware limited partnership (the “Partnership”), with the Securities and Exchange Commission:

- Registration Statement No. 333-254321, filed on March 16, 2021, registering the issuance of an aggregate of 2,155,817 common units representing limited partner interests in the Partnership (the “Common Units,” and the holders of the Common Units, the “Unitholders”) registered for issuance under the Sanchez Production Partners LP Long-Term Incentive Plan (the “Plan”);
- Registration Statement No. 333-230273, filed on March 14, 2019, registering the issuance of an aggregate of 656,703 Common Units registered for issuance under the Plan;
- Registration Statement No. 333-217007, filed on March 29, 2017, registering the issuance of an aggregate of 1,465,491 Common Units registered for issuance under the Plan;
- Registration Statement No. 333-210783, filed on April 15, 2016, registering the issuance of an aggregate of 256,528 Common Units registered for issuance under the Plan; and
- Registration Statement No. 333-202578, filed on March 6, 2015, registering the issuance of an aggregate of 440,703 Common Units registered for issuance under the Plan.

On January 8, 2024, Evolve Transition Infrastructure GP LLC, a Delaware limited liability company and the sole general partner of the Partnership (the “General Partner”), elected to exercise the limited call right (the “Limited Call Right”) provided for in Section 15.1 of the Third Amended and Restated Agreement of Limited Partnership of the Partnership, as amended (the “Partnership Agreement”), to purchase all of the outstanding common units representing limited partner interests in the Partnership (“Common Units”) not already owned by the General Partner or its controlled affiliates for a cash purchase price, determined pursuant to the contractual formula set forth in Section 15.1(b) of the Partnership Agreement, of \$1.389285 per Common Unit.

As a result of the General Partner’s election to exercise the Limited Call Right, the Partnership terminated all offerings of securities pursuant to the Registration Statements. The exercise of the Limited Call Right will be completed on February 16, 2024 (the “Purchase Date”). After the Purchase Date, the General Partner and its affiliates will beneficially own, directly or indirectly, all of the Common Units, and there is no longer a public market for the Common Units. In accordance with undertakings made by the Partnership in the Registration Statements to remove from registration, by means of a post-effective amendment, any of the securities that had been registered for issuance that remain unsold at the termination of such offering, the Partnership hereby removes from registration all of such securities of the Partnership registered but unsold under the Registration Statements.
