Item 8.01 Other Events.***Initiation of Arbitration Proceedings***

On January 25, 2008, Torch Royalty Company (“Torch Royalty”), Torch E&P Company (“Torch E&P”) and Constellation Energy Partners LLC (the “Company”) (collectively, the “Claimants”) sent notice of a demand for arbitration before JAMS to Wilmington Trust Company, as Trustee (“Trustee”) for Torch Energy Royalty Trust (the “Trust”), and Capital One, NA, as successor to Hibernia National Bank, as trustee for Torch Energy Louisiana Royalty pursuant to the operative dispute resolution provisions of the agreement governing the Trust and the Conveyances (as defined below). The Claimants are working interest owners in certain oil and gas fields located in Texas, Louisiana and Alabama. These working interests are each subject to net profit interests (“NPIs”) contained in three net overriding royalty conveyances (the “Conveyances”). Constellation owns working interests in oil and gas properties located in the Robinson’s Bend Field in Alabama, which are subject to the NPI. In the arbitration demand, the Working Interest Owners are seeking a declaratory judgment that the NPI payments due under the Conveyances will continue to be calculated using a sharing arrangement with a pricing formula contained in the Oil and Gas Purchase Contract (the “Gas Purchase Contract”), dated as of October 1, 1993, by and between Torch Energy Marketing, Inc., Torch Royalty and Velasco Gas Company Ltd. after the Trust and the Gas Purchase Contract are terminated. There can be no assurance as to the outcome or result of the arbitration proceedings.

Suspension of Class D Interest Special Quarterly Distributions

Pursuant to Section 6.3(b) of the Company’s Second Amended and Restated Operating Agreement, as amended, the Company will, in connection with the initiation of the arbitration proceedings mentioned above and the issues that are the subject of the arbitration demand, suspend all quarterly cash contributions with respect to the Class D interests beginning with the quarterly cash distributions for the three months ending March 31, 2008 and extending until such arbitration proceedings are finally resolved. This suspension will not affect the quarterly cash distribution payable to Constellation Holdings, Inc., as holder of the Class D interests, on February 14, 2008 for the three months ended December 31, 2007.
