Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On January 5, 2012, Constellation Energy Partners LLC (the “Company”) received a notice from NYSE Regulation on behalf of NYSE Arca that the Company’s most recent closing price of its units on NYSE Arca was \$1.96 and that the closing price has been below the required \$3.00 minimum for more than thirty consecutive trading days. However, the Company was informed that after consideration of overall market conditions, the Company’s capitalization and the number of its outstanding and publicly held units, among other factors, NYSE Regulation has waived the NYSE Arca \$3.00 minimum unit price requirement at this time.

NYSE Regulation has informed the Company that it will continue to monitor the Company’s status with respect to the NYSE Arca listing standards and will periodically reevaluate this waiver. The Company is not required and does not currently intend to take any action with respect to this notice.
