Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As previously disclosed, Evolve Transition Infrastructure LP (the “Partnership”) received notice on June 6, 2023 from the NYSE American LLC (“NYSE”) that the Partnership was not in compliance with the continued listing standards set forth in Section 1003(f)(v) of the NYSE American Company Guide and disclosed that NYSE Regulation has determined to commence proceedings to delist the Partnership’s common units representing limited partner interests in the Partnership (“Common Units”) from the NYSE due to the low selling price of the Common Units. On June 13, 2023, the Partnership submitted formal written notice exercising its right to a review of NYSE Regulation’s delisting determination in accordance with the NYSE delisting procedures and awaits an oral hearing regarding the Partnership’s continued listing.

The delisting of the Common Units will be stayed pending the conclusion of the review process, while the trading suspension that was implemented on June 6, 2023 will remain in effect. If the Partnership is successful in its appeal of NYSE Regulation’s determination to commence delisting proceedings, the Common Units may resume trading on the NYSE. In the interim, the Common Units will continue to trade on the over-the-counter market under the symbol “SNMP.”

Item 8.01 Other Events.

As previously disclosed, the Partnership announced a one-for-thirty reverse split (the “Split”) of its Common Units on May 22, 2023. The Split was expected to be effective as of the opening of trading on June 14, 2023.

On June 13, 2023, the Partnership issued a press release announcing that it is amending the date for the previously announced Split due to the fact that the Split is subject to review by the Financial Industry Regulatory Authority (“FINRA”) as a result of the Common Units initiating trading on the over-the-counter market on June 7, 2023. A copy of the press release is included herewith as Exhibit 99.1 and the information in the press release is incorporated by reference into this Item 8.01.

Evolve Transition Infrastructure Announces Delay in Effectiveness of Reverse Split

HOUSTON—(GLOBE NEWSWIRE)—June 13, 2023—Evolve Transition Infrastructure LP (OTC: SNMP) (“Evolve”) today announced that it is amending the date for its previously announced reverse split of its common units representing limited partner interests in Evolve (“Common Units”), which was to be effective as of the opening of trading on June 14, 2023. The delay in effecting the reverse split is due to the fact that this corporate action is now subject to review by the Financial Industry Regulatory Authority (“FINRA”) as a result of the Common Units initiating trading on the over-the-counter market on June 7, 2023. Evolve will set and announce a new effective date for the reverse split following the successful completion of FINRA’s review.

ABOUT THE PARTNERSHIP

Evolve Transition Infrastructure LP is a publicly-traded limited partnership formed in 2005 focused on the acquisition, development and ownership of infrastructure critical to the transition of energy supply to lower carbon sources. Evolve owns natural gas gathering systems, pipelines and processing facilities in South Texas and continues to pursue energy transition infrastructure opportunities.
