*Borrowing Base Redetermination*

On November 17, 2020, Sanchez Midstream Partners LP (the “Partnership”) received notification that, pursuant to the terms of the Third Amended and Restated Credit Agreement, as amended by the Tenth Amendment thereto (the “Credit Agreement”), its lenders have completed the quarterly review of the borrowing base for the Partnership’s midstream assets. Based on this review, the borrowing base has been set at \$124.1 million. The Partnership’s current debt outstanding is \$115.0 million, consisting of \$115.0 million outstanding under the quarterly amortizing term loan and no amount outstanding under the revolving loan.

The Credit Agreement is a current liability that matures on September 30, 2021. We expect to refinance or extend the maturity of our Credit Agreement prior to September 30, 2021. However, we may not be able to refinance or extend the maturity of our Credit Agreement or, if we are able to refinance or extend the maturity, we may not be able to do so with borrowing and debt issue costs, terms, covenants, restrictions, commitment amount or a borrowing base favorable to us.

*Forward-Looking Statements*

This communication contains “forward-looking statements” as defined by the United States Securities and Exchange Commission regarding the Partnership. These forward-looking statements relate to, among other things, our ability to refinance or extend the maturity of our credit agreement and our plans, objectives, expectations, outlook and intentions. All of these types of statements, other than statements of historical fact included in this communication, are forward-looking statements. In some cases, forward-looking statements can be identified by terminology such as “may,” “expect,” “plan,” “project,” “intend,” “anticipate,” “believe,” “estimate,” the negative of such terms or other comparable terminology. The forward-looking statements contained in this communication are largely based on our expectations, which reflect estimates and assumptions made by the management of our general partner. These estimates and assumptions reflect our best judgment based on currently known market conditions and other factors. Although we believe such estimates and assumptions to be reasonable, they are inherently uncertain and involve a number of risks and uncertainties that are beyond our control. In addition, management’s assumptions about future events may prove to be inaccurate. Management cautions all readers that the forward-looking statements contained in this communication are not guarantees of future performance, and we cannot assure any reader that such statements will be realized or the forward-looking events and circumstances will occur. Actual results may differ materially from those anticipated or implied in forward-looking statements. The forward-looking statements speak only as of the date made, and other than as required by law, we do not intend to publicly update or revise any forward-looking statements as a result of new information, future events or otherwise. These cautionary statements qualify all forward-looking statements attributable to us or persons acting on our behalf.
