**Item 8.01 Other Events.*****Torch Royalty Trust Tender Offer Status***

As previously announced, the Trust Venture Company, LLC, or TVC, had conducted a tender offer for the outstanding units of beneficial interest of Torch Energy Royalty Trust, or the Trust. Through such tender offer and open market purchases, TVC had stated in its SEC filings that it had accumulated 5,308,180 units of beneficial interest of the Trust, or Trust Units, or approximately 61% of the outstanding Trust Units as of November 14, 2007. An affirmative vote by the unitholders of the Trust, or the Trust Unitholders, of 66 <sup>2</sup>/<sub>3</sub>% of the outstanding Trust Units is required to terminate the Trust.

In August 2007, the Trust announced that TVC had requested the Trust's trustee to call a special meeting of the Trust Unitholders to consider and vote upon a proposal to terminate the Trust. According to the Trust's quarterly report on Form 10-Q for the quarter ended September 30, 2007 (the "Third Quarter Report"), the Trust filed a Preliminary Information Statement on Schedule 14C on October 15, 2007 with the Securities and Exchange Commission regarding the special meeting of the Trust Unitholders. In November 2007, TVC requested that the Trust postpone the filing of the Definitive Information Statement with the Securities and Exchange Commission and the mailing of the notice of special meeting and information statement relating thereto while TVC evaluates opportunities relating to its investment in the Trust. In the Third Quarter Report, the Trust reported that on November 14, 2007 TVC informed the Trust that it was revoking its request for a special meeting of the Unitholders to terminate the Trust.

For more information about how a termination of the Trust affects us, please read Items 1 and 1A contained in our Annual Report on Form 10-K for the year ended December 31, 2006 and Item 1A contained in our Quarterly Report on Form 10-Q for the quarter ended September 30, 2007.
